

WiderPlan

Bringing tangible benefits to working life

Wider Plan works with thousands of employers across the public and private sectors, maximising employee engagement via innovative, easy-to-manage benefits.

Whether you're looking for a stand-alone product or a complete employee benefits solution, our flexible, straight-forward approach offers a breath of fresh air.

- Committed to delivering outstanding quality and unusual value for money.
- A flexible approach, tailored to meet individual needs.
- Exceptional levels of customer service, always with a personal touch.
- Transparent pricing, with no hidden costs and no tie-ins.
- An ethical, carbon-neutral company, delighted to donate 5% of profit to UK-based charities.
